RESOLUTION NO. _____

RESOLUTION URGING THE FLORIDA LEGISLATURE TO FULLY RESTORE FUNDING FOR AFFORDABLE HOUSING PROGRAMS FROM THE SADOWSKI ACT AFFORDABLE HOUSING TRUST FUND, AND NOT DIVERT ANY REVENUES TO THE STATE GENERAL REVENUE FUND FOR OTHER PURPOSES; PRELIMINARILY IDENTIFYING THIS ISSUE AS A CRITICAL COUNTY PRIORITY FOR THE 2016 STATE LEGISLATIVE SESSION

WHEREAS, there is a critical shortage of housing for low and moderate income families in Miami-Dade County and across the state; and

WHEREAS, for a period of time, Florida relied solely on federal funds to finance housing programs, but this proved difficult as the need for affordable housing assistance steadily outweighed the supply; and

WHEREAS, in 1992, the Florida Legislature responded to the growing need for affordable housing assistance by enacting the William E. Sadowski Act, which created a dedicated source of revenue for affordable housing; and

WHEREAS, this dedicated source of revenue consists of a 10-cent documentary stamp tax paid on the transfer of real estate, which began in August 1992, and a reallocation of 10 cents of existing documentary stamp tax revenues from general revenue to the Affordable Housing Trust Fund, which began in July 1995; and

WHEREAS, Sadowski Act Affordable Housing Trust Fund revenues are divided between state and local government housing trust funds, with 70 percent of the revenues going into the Local Government Housing Trust Fund and 30 percent going into the State Housing Trust Fund; and

WHEREAS, Affordable Housing Trust Fund revenues support various state and local housing assistance programs, including the State Housing Initiatives Partnership (SHIP) Program and the State Apartment Incentive Loan (SAIL) Program; and

WHEREAS, the SHIP Program serves very low, low and moderate income families and provides funds to local governments as an incentive to create partnerships that produce and preserve affordable homeownership and multifamily housing; and

WHEREAS, SHIP funding may be used for emergency repairs, new construction, rehabilitation, down payment and closing cost assistance, impact fees, construction and gap financing, mortgage buy-down, acquisition of property for affordable housing, homeownership counseling and matching dollars for federal housing grants and programs; and

WHEREAS, the SAIL Program provides low-interest loans on a competitive basis to affordable housing developers, with SAIL funding often serving to bridge the gap between a development's primary financing and the total cost of the affordable housing development; and

WHEREAS, SAIL funds are available to individuals, public entities, not-for-profit and for-profit entities that propose the construction or substantial rehabilitation of multifamily units affordable to very low income individuals and families; and

WHEREAS, both the SHIP and SAIL programs have been successful in assisting Floridians with critical housing needs, including housing for the working poor, low-income seniors, persons with disabilities and children; and

WHEREAS, during the 2005 session, the Florida Legislature capped at \$243 million the annual amount of Affordable Housing Trust Fund revenues that could be used for affordable housing and diverted any amount above \$243 million to the state general revenue fund; and

WHEREAS, since the 2010 session, the Florida Legislature has swept Affordable Housing Trust Fund revenues from affordable housing programs to the state general revenue fund as part of its effort to address sizable budget deficits; and

WHEREAS, during the 2015 session, it was estimated that the Florida Legislature would have an overall state budget surplus; and

WHEREAS, affordable housing advocates saw the estimated overall budget surplus as an opportunity to end the sweeps of the Affordable Housing Trust Fund revenues during the 2015 session; and

WHEREAS, the total amount of revenues in the Affordable Housing Trust Fund estimated to be available for state fiscal year 2015-16 was approximately \$256 million; and

WHEREAS, the Florida Legislature restored approximately 68 percent of the total \$256 million to affordable housing programs, sweeping roughly \$81 million of the \$256 million available in Affordable Housing Trust Fund revenues from affordable housing programs to the state general revenue fund for other purposes; and

WHEREAS, unable to reach an agreement during the 2015 general session, the Florida Legislature passed the General Appropriations Act during the 2015 special session, which appropriated \$175 million to fund the SHIP and SAIL programs as well as other homeless and housing projects; and

WHEREAS, the General Appropriations Act appropriated \$105 million to the SHIP Program and \$48 million to the SAIL Program; and

WHEREAS, current revenue estimates project that the Florida Legislature will again have surplus revenues in fiscal year 2016-17, with Affordable Housing Trust Fund revenues totaling approximately \$324 million; and

WHEREAS, the Florida Legislature should fully restore funding for affordable housing programs from the Affordable Housing Trust Fund, and not divert any revenues to the state general revenue fund for other purposes,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board:
